- Afternoon: panoramic tour of Amsterdam: The in-depth city tour gives an opportunity to experience some of the highlights of Amsterdam, and helps to get to grips with the city layout. With more than 6,800 monumental houses and buildings, Amsterdam has the largest historical city center in Europe. The city is best-known for its three rings of canals lined by elaborately decorated merchants' residences and warehouses built in the 17th century, the Dutch 'Golden Age'. Ninety islands were created when the canals were built, connected by hundreds of charming bridges. Traveling in a luxury air-conditioned coach, the group will see the old and new parts of this beautiful city with its many interesting sights. Highlights include the Royal Palace, National Monument, the Skinny Bridge, canals and Albert Cuyp Market. Travelers will also visit a windmill on the River Amstel and a stop will be made at a diamond factory where you can see how gems are polished using traditional methods. The tour will end with the boat trip along a typical Dutch canal. The one-hour cruise takes passengers along canals lined with 17th-century merchant houses, churches with bell towers and warehouses from the 16th and 17th centuries. The boat will also pass through Amsterdam's Old Harbor. Visit Heineken Museum.
